## Spring is in the Air!

### Shine Bright with Red Bank Dentistry.

Spring is the time of year for new beginnings. As the weather gets warmer and flowers begin to bloom, it may be time to finally consider orthodontic services. With Invisalign from Red Bank Dentistry, you can kick-start Spring by investing in your look, health, and overall well-being. With custom Invisalign treatment, Red Bank Dentistry is here to help you take the right steps to attain a perfect smile.

## A Smile is Worth a Thousand Words.

Whether you are seeking to alleviate pain or simply looking to enhance your smile, Red Bank Dentistry has been treating Monmouth County patients for over 50 years. Dr. Carole Jewell and Dr. Pauline Robinson bring decades of knowledge to the field of Cosmetic and Restorative Dentistry, as well as orthodontics. If a smile is worth a thousand words, then Dr. Jewell and Dr. Pauline have provided thousands of smiles to the Red Bank area.

## What Does Treatment Mean to You?

Oral health and dentistry are core components of living a healthy life. Whether you are interested in routine oral maintenance or require advanced orthodontic treatment, Red Bank Dentistry has the staff and expertise to shine a light on your next visit. Specialized and certified in the practices of Invisalign, Cosmetic Dentistry, and Restorative Dentistry, Dr. Jewell and Dr. Pauline are opening their doors to new patients this Spring.

## Above and Beyond General Dentistry Services.

Aside from General Dentistry Services, Red Bank Dentistry provides specialized services that reach beyond the average practice. Aside from routine cleanings and oral cancer screenings, Red Bank dentistry specializes in sleep apnea treatment, gum disease treatment, teeth whitening, tooth-colored composite fillings, porcelain veneers, dental implants, crowns, and dentures.
